

One Important Aspect of Missions —

Linking Great Ideas with Those Who Will Use Them!

The Power of a Red Marble

Red Marble Ministries was born in the summer of 1999 in an oilfield near Lovington, New Mexico. **Dale Miller** was supervising a well-drilling operation when a co-worker approached him with a red marble. To Dale’s surprise, this man handed him the marble and brusquely said, “Here, this represents the blood of Jesus.” That simple sentence changed Dale’s life. He later wrote, “I received the marble and God began to explode in my mind all the possibilities that could be put to use with the simple message of the red marble. Wouldn’t it be just like God to take something as simple as a small red marble to minister to a multitude of people.”

Since that simple beginning, those in the **Red Marble Ministries** have given away thousands of marbles with a gospel message. And hundreds of people have come to faith in Christ...holding a simple red marble in their hands.

The Power of Linking

Rosie has presented the red-marble method of personal evangelism in both our Bible school and at several local churches. Her presentation and “starter-pack” of red marbles is transforming **Eternal Flame Assembly of God**.

Not only did this growing congregation use those marbles (and bought more), they developed a gospel “business card” to accompany each marble. The card, “Just One Drop” is reproduced below. Such is the **power of linking!**

**Just One Drop...
More than Enough!**

Jesus shed His blood so that you could be forgiven of your sin and restored back to God.

Today you can seek His forgiveness and ask Him to be your Lord by praying this prayer:

“Jesus, I believe you died for my sins. Forgive me, come into my life, and restore me as a child of God. I give my life to You forever. Amen.”

Pastor **Charles White** developed the red marble card (left) so his church members could leave both a red marble and a printed message with those they are reaching for Christ.

Pray with us for funding to print thousand of the cards, and to buy more marbles!

The Power of Prayer

Please pray for open doors of witness and teaching for **Rosie**. Her passion continues to grow for personal evangelism, and for teaching those in churches and the Bible college how to reach out effectively to the lost around them. **Prayer and spiritual harvest are always linked.** We need your prayers!
